

## **2017 Adult Class Summaries**

### **Bro. Lucas Scheepers**

Topic: Deuteronomy - Second to None.

Explanation: "A look at the book of Deuteronomy showing that the title of the book misleads people into giving it a lesser significance/priority. The book is, however, "second to none" for a variety of reasons. Lots of lessons to be learnt for us in our walk in the truth from the book - especially re faith, temptation, the Kingdom, etc.

Looking forward to sharing a week of wonderful fellowship with so many brothers and sisters.
