

Bro. Bruce Parker "The whole Gospel from the Cross"

Jesus said a total of 7 different things from the cross, each with layers of meaning.

We'll try to use a variety of ways to imagine ourselves into his loving but tragic sacrifice, what he was thinking about, why he chose to say what he did, and the impact his words had, then and now.

As with all study of the scripture, the point is to guide each of us as we take our next steps of faith, grounded in our Master's words.
